- 2-way, in-ceiling speaker
- Switchable 8 ohm/70-100 volt impedance/multi-taps
- Moisture-resistant tweeter, woofer
- Paintable grille, frame

6.5CS-T

The Jamo 6.5CS-T is a 2-way in-ceiling speaker, part of our popular Contractor Series, which consists of versatile, quality speakers at highly competitive prices.

The 6.5CS-T offers great all-round qualities, and is the ideal choice wherever background music

is desired. A Polypropylene woofer and Mylar tweeter make this speaker applicable for occasionally damp areas, such as garages.

With 70/100 volt multi-taps and 8 ohm/70/100 V switchability. The 6.5CS-T is a versatile speaker for home or commercial use.
